Will do. Also, thanks for the heads up. I hope we are prepared for the press release. We worked with external affairs yesterday on a desk statement.

Thanks,

Ronnie

Hi Ronnie/Chris – Just a heads up, George Hull here at HQs OPA will be contacting (may have already) David Gray to put together a press release on the chemical incident. I just want you both to be aware just in case you get a call. Please let me know if you have questions.

By the way, you all did a great job of keeping us (HQ) in the loop this weekend and it is appreciated. Please pass along the kudos to Eric Delgado and the rest of the crew working this weekend. Thank you!

Joshua Woodyard, Acting Director

Preparedness and Response Operations Division (PROD)

Office of Emergency Management

U.S. Environmental Protection Agency
